Subject Admission in the Technology Business Incubator – Growth Lab

Dear Sir

We have received your application dated 23/03/1010, for admission to the Incubation Program of the Science and Technology Park, University of Pune. We find that your domain of expertise and your keen interest to pursue manufacture of additives for petrol, diesel and biodiesel, for improved performance of engines, to be in line with our key focus area of incubation in Clean Technology Segment.

We are happy to admit you as a member of the incubator-Growth Lab.

Your Provisional Membership Number is GL/AT/034

Formal Certificate of Incubation shall be issued in due course. The Admission Fees to the incubator is Rs.5000/= (Five Thousand Only) – one time. There is an annual subscription of Rs 5000/= (Five Thousand Only) – Payable annually

As a special case we are currently waiving off the admission fees for the present and are granting you a subscription holiday for 1 year.

For availing the full benefits of the Incubation program as approved by NSTEDB, Department of Science & Technology Government of India you are advised to become a tenant incubatee within the premises of the Growth Lab – Bhosari, Pune.

Thanking You

Yours Sincerely

Ramaswamy Iyer
Project Director.
